

How Does It Work?

- Contributor sends contribution. PayPal option available on contribution form.
- Foundation sends confirmation letter to contributor for tax purposes. (Consult your tax advisor for any tax related issues.)
- Gift of \$100 or more (for an individual/couple) or \$500 or more (for an organization/corporation) may be listed on a plaque at the auditorium entrance in high school.
- All fund balances continue to grow. As funds mature they could provide more than one scholarship.
- Each individual scholarship fund has a documented agreement including a section on how winners are chosen.
- Employer Matching Funds Program is available based on employer's participation.
- If you would like additional information, please review the GenoaSchools.com website, email us at ScholarshipFounation@genoaschools.com, call 419-855-7741 Extension 21102, or contact a trustee.

Who Are We?

The Genoa Area Local Schools Scholarship Foundation, Inc. offers scholarships to students of the Genoa Area Local Schools. This foundation was organized by a local group of interested citizens on January 7, 1991, and has held a tax-free status with the IRS since March 2, 1994.

In 2022 a total of 73 scholarships were awarded to 39 seniors through the Foundation. There are currently 46 individual scholarship funds that offered 58 scholarships in 2022. Further, 15 additional scholarships were given by various individuals, businesses and organizations in conjunction with the Foundation. Over the past five years, the Foundation has distributed 373 scholarships. The various scholarship funds in the Foundation total over \$1.6 Million in assets to assist our students in furthering their education. Our growth continues!

These scholarships are presented annually at the high school's Honors Award Program in the spring.

Where Do the Funds Come From?

Contributions to the various scholarship funds can be made through gifts, honorariums, memorials, wills, etc. Gifts of money or stock may be designated to create a new scholarship or to the principal of an existing scholarship fund. Many graduating classes, along with alumni reunions, have considered these an important endeavor and have given monies to a scholarship fund.
